

## Hy-Vee Gossip Grill on TikTok

Spotted in Aisle 5: Stocker Man canoodling among the noodles with what appears to be a single woman. We all know how lonely Stocker Man has been since Butcher Lady transferred stores. Is Stocker Man finally getting back out there? Gossip Grill is keeping an eye out for you.

Hey Hy-Vee shoppers, I've got news on the big showdown between Cake Designer Dude and Cake Decorator Ma'am. My sources tell me Cake Designer Dude made a 5-tier wedding cake in just 5 hours. Never to be outdone, Cake Decorator Ma'am created a firecracker cake with actual fireworks inside. Will these two ever *dessert* their hatred for each other? Gossip Grill hopes not. I love a good catfight.

I know you've been wondering where Grocery Cart Girl, Aisle 12 Cashier, and Produce Boy have been. I can feel the drama simmering...it's only a matter of time before it overflows.
